Set Collection | Hand Management | Order Fulfillment

GAMEPLAY

Fulfill gourmet cookie orders by managing your hand of ingredient cards.

Draw and swap ingredients to match recipes in the shared market. Turn in matching ingredients to claim cookies and add them to your cookie box.

Tip Cards create bonus scoring opportunities and contested objectives throughout the game. Players score points from completed cookie orders and set collection bonuses at the end of the game.

COMPONENTS

52 Cookie Order Cards
132 Mini Ingredient Cards
1 Plastic First Player Marker

HIGHLIGHTS

Easy Hand Management

Players cycle ingredients, balancing short-term play against long-term scoring.

Shared Market Tension

Cookie orders and Tip Cards create a dynamic public tableau with meaningful competition over high-value combinations.

Simple Set Collection

Scoring rules make the game easy to teach, while layered set bonuses reward strategic planning.
